“Forging ahead and striving for excellence”

2022 ANNUAL REPORT

Striving Forward and Looking Ahead

As Chairman of the New Chesapeake Men for Progress Education Foundation (NCMPEF), I am pleased to say that we had a banner year. In keeping with our vision to be the PREMIER philanthropic leader in the City of Chesapeake and the Hampton Roads area, we endeavor to improve the quality of life in the community through education. We are "striving forward and looking ahead" to achieving this vision through supplementing educational programs, supplementing educational services, providing scholarships, and facilitating mentoring.

First and foremost, I wish to thank all of our corporate sponsors and individual donors for their financial support and well wishes. A number of our corporate donors and individual donors increased their financial support by becoming gold and platinum level sponsors for our signature breakfast and gala events. Also, I am pleased to announce that after fourteen years of existence, Chesapeake Public Schools has announced NCMPEF a "Partner in Education". In August of this year, we formally thanked all of our premier supporters and donors through our first annual Awards reception held at the Chesapeake Conference Center. We recognized donors as well as two scholarship recipients.

As a direct result of the increase in financial donations, NCMPEF will increase ALL scholarships to one thousand dollars! All twenty-one African-American male achievement scholarships in addition to the Arts/Trade, William Ward Family, HBCU scholarship, NCMPEF/Chesapeake Education Association Educator Scholarship, and the newly added McDermott Trade scholarship will ALL be valued at one thousand dollars. Also, all five back to school supply donation sites (three Title I schools, Chesapeake Juvenile Services and Chesapeake Center for Student Success) will receive five hundred dollars each.

After experiencing the effects of the pandemic, NCMPEF will hold monthly meetings face to face again at the Buffalow Family and Friends Multipurpose Center located in South Norfolk. In addition, in order to ensure stability among the Board during the pandemic, the current Board

remained intact. An election will be successfully conducted on Friday, December 2, 2022 with the installation of new officers thereafter.

In closing, in order to "strive forward and look ahead", NCMPEF will work on fostering a partnership with the Chesapeake Housing and Redevelopment Association (CHRA). We are in the process of creating a mentoring program with the CHRA in conjunction with a scholarship opportunity. This will supplement the opportunities and partnerships that we have formed with Ground Zero Youth Development Inc., the Chesapeake Division of the Boys and Girls Club, and others.

Mr. A. Alexander
Chairman, NCMPEF

Mission and Vision

The New Chesapeake Men for Progress Education Foundation, Inc. was established January 21, 2010, as a 501 (C) (3) charitable foundation by members of the New Chesapeake Men for Progress as a membership nonprofit. The Foundation's mission is to provide educational scholarships, mentoring and other educational programs to support youth in Chesapeake. Since its inception, the Foundation has provided more than \$190,000.00 in scholarships, school supplies to three Title I school youth, and supported five organizations mentoring programs in the City of Chesapeake.

The Foundation's vision is to become the premier philanthropic leader in Chesapeake for improving the quality of life of our youth in the community through scholarships, mentoring services, school supplies, and other related educational programs and Initiatives.

The 14th Annual Black Male Achievement and Scholarship Breakfast

The 14th Annual Black Male Achievement and Scholarship Breakfast Program was held April 30, 2022 in the Chesapeake Conference Center, and was attended by 520 people. The keynote speaker, Attorney, Carlos M. Brown, senior vice president, general counsel and chief compliance officer, Dominion Energy, was not able to attend, and his speech was delivered via zoom video. Carlos presented a three point inspiring speech on his development as a person that he conveyed to the awardees, other youth and adults. He noted that he also was a recipient of a W.P. Clark Scholarship which helped him with acquiring his education. He indicated to the students (1) keep running, (2) set goals, and (3) find a dreamer role model. He admonished the students to run from the negative stereotypes that depicts young Blacks as thugs, uneducated, marijuana smoking, and lazy. He encouraged them to run toward high achievement, and develop oneself to be a change agent in the World. Secondly, Carlos encourage them to set ambitious goals, and guard against becoming complacent. He emphasized that the real tragedy in one life is to have no goals. Finally, he encouraged the students to find a “dreamer role model.” He noted that it was important to find successful role models to pattern your life after to give you guidance and directions in life.

2022 School Supplies Donations

In August of this year, the Foundation donated \$1,250.00 to four title I schools, Chesapeake Juvenile Educational Program. Each organization received \$250.00 to provide school supplies to students who needed them. With this year's donations, the Foundation has contributed a total of \$5,000.00. The Foundation Board and members know that school supplies impact the success of students in ways that most people fail to recognize. In fact, many students have problems learning when they need supplies. Having something as simple as writing utensils and paper are things that can determine the progress and achievement. We also recognize supplies play a very important role in education and how students grow and develop.

Al Alexander, chairman, Board of Directors, presented a check for \$250.00, to Clayton L. Spruill, principal, Chesapeake Juvenile Services Educational program. The program provides appropriate educational services to school age children and youth residing at Chesapeake Juvenile Service Center. The school mission is to provide student with quality instruction through a continuum of educational programs that promote achievement, character, skills necessary to transition from the program with tools that enhance citizenship and life-long learning.

Dr. Al Alexander,

Thank you for your support of G.W. Carver Intermediate. Through our Department of Strategic Planning and Partnerships, we hope to create long-lasting relationships with our business and community partners that are mutually beneficial to both parties. At Chesapeake Public Schools, our mission is to promote educational excellence by engaging all students in meaningful and innovative learning experiences that empower them to successfully fulfill their life's purpose. By combining the efforts of students, parents, community, and staff, we strive to provide quality education in a safe environment. This partnership helps us achieve this mission.

Throughout our school district, we guide students toward their potential through excellence in academics, arts, athletics, and service to the community. We can reach this goal and help build a stronger community with partners like you. We realize the importance of creating positive relationships with our business community and want to encourage other businesses and community organizations to join us in this important work.

Enclosed you will find our "Proud Partner" decal. We hope that you will display this at your business, letting your customer base know that you support your school district. We hope this will inspire other local businesses to support Chesapeake Public Schools as well.

Respectfully,

Andrea Vail

Dear Dr. Reed:

We are writing to say thank you! On 3/29/2022, you honored our boys and girls by making a contribution in the amount of \$500 towards our 2022 Annual Youth of the Year Gala, held on March 31, 2022 at The Westin Virginia Beach Town Center. Your donation helped us surpass our goal and raise over \$290,000 for our Boys & Girls Clubs. This year was a record setting year. We are grateful for the part you played in making the evening a memorable milestone for BGCSEVA.

To the right is a picture of Destiny, the Eastern Shore's Youth of the Year and our 2022 Boys & Girls Clubs of Southeast Virginia Youth of the Year winner. Destiny went on to represent Southeast Virginia in the state competition!

We also heard from Destiny's fellow Youth of the Year contestant, Ndia. Destiny and Ndia spoke about what their Club has meant to them. It was a great night for our entire Boys & Girls Club family.

Your support of the Youth of the Year competition helps us recognize character, service, and leadership in our teen Club members as well as allows us to stage a first-class celebration for our young people. This event encourages and motivates all our Club members to become productive, caring, responsible citizens and role models to their peers and it's just one of the reasons why the Boys & Girls Clubs program makes a difference in the lives of the young people we serve.

You did not receive any goods or services in exchange for your gift and it should be fully deductible. As always, please consult your tax advisor.

Again, thank you.

Sincerely yours,

Adrianna Rivera

NCMPEF Impact on the Community

1. Honored 273 students and provided \$172,000.00 in scholarship awards.
2. Provided \$6,000.00 in support of the Chesapeake Unit, Boys and Girl Club Steak and Burger Dinner (Team Up For Kids) and Youth of the Year Award programs.
3. Provided \$3,750.00 in school supplies funds to three Title I Schools in Chesapeake.
4. Provided \$6,090.00 in mini-grants to support mentoring programs and initiatives serving Chesapeake youth.

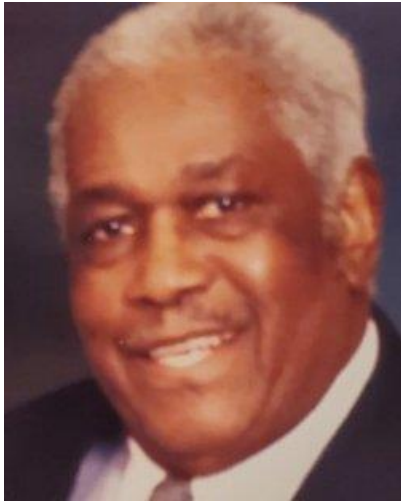

With your help, the Foundation's distribution of \$189,000.00 has impacted the lives of many youth in Chesapeake by helping them reduce the cost of their education, and providing role models, schools supplies to needy students, guidance, information, leadership, and supporting mentoring programs. Mentoring grants have been provided to Ground Zero Development, Chesapeake's Juvenile Service Education Program, Chesapeake School for Success, and the Chesapeake Unit of the Boys and Girl Club. In 2016, The Foundation, in partnership with Chesapeake Public Schools, initiated the Dr. Darnell Johnson Middle School Distinguished Scholar program to recognize the success of middle school students.

Also, the Foundation in cooperation with the New Chesapeake Men for Progress, sponsored three Youth Development Conferences, and two Parent Education Summits at Indian River High School which served over 300 students and 75 parents, and supported its Black History Month Program

In 2012, the Foundation sponsored its first Student Merit Award Program which recognized the academic achievement and community service of students from Indian River, Western Branch, Deep Creek, and Hickory high schools.

In 2019, the Foundation established the Dr. William E. Ward Family Scholarship in the amount of \$1,000.00 to be awarded to a student attending a Historical Black College/University (HBCU). The Foundation also established a Vocational Trade & Technology and Fine Arts scholarships in the amount of \$500.00 each. The first Vocational Trade & Technology Scholarship was awarded in 2020. The Board of Directors is striving to not only serve more students with scholarship support, and is also striving to increase the amount of each scholarship as resources increase, support various mentoring initiatives, continue its commitment to supporting its adopted Title I schools student supply program. In 2022, The Foundation, in partnership with Chesapeake Redevelopment and Housing Authority, established a \$1,000.00 scholarship for students living in public housing and private housing supported by Housing Choice Vouchers.

In 2022, at the bequest of Carolyn Abron-McFadden, widow of George W. McCadden, Sr., The Foundation established the George W. McCadden, Sr Vocational and Technology Scholarship. The scholarship is to honor George W. McCadden, Sr. contributions and legacy

as an educator, award winning General Contractor, and mentoring young men and women to become entrepreneurs. His company started in 1963 as G. and V. Masonry in 1962, and evolved into G. and V. General Contractor, and many of his buildings such as churches, residential housings occupy the landscape in Hampton Roads His company was recognized in 1984 as the Small Business of the year by the Small Business Administration. The \$1,000.00 scholarship will be awarded annually to a deserving and qualified student pursuing a career in the vocational trades and technology occupations.
